19th EBS Best Paper Award 2024 on Innovation, Corporate Entrepreneurship, and Transformation

EBS University annually honors outstanding scientific papers with high practical relevance on Innovation, Corporate Entrepreneurship and Transformation. By focusing on both cutting-edge research and practical implications, the awarded papers provide state-of-the-art insights for academics and practitioners equally.

Selection Procedure

Papers submitted must have been published in or accepted at a scientific journal after May 1st 2023, and must not have been submitted to past EBS Best Paper Awards. Submissions are assessed by the jury with regards to scientific excellence and practical relevance. The authors of the three most outstanding papers are invited to present their work on October 8th, 2024 at EBS University in Oestrich-Winkel, Germany. Part of the travel expenses will be reimbursed by EBS University. Evaluating both presentation and discussion, the jury will nominate the winner. The jury consists of industry experts and academics. **Submission Deadline: June 15th, 2024 [23.59 UTC]**. The best three papers will be awarded with:

- 1st prize: € 1,500
- 2nd prize: € 1,250
- 3rd prize: € 750
